LOVE IN THE SUN 2012

Dear Guests:

When we enjoy our happy life in the sun, there are still many children whose parents are behind the bars wishing to receive our love and concern.

We would like to help these children, and you'll have the same opportunity to do so by joining us on this trip and visit the Beijing Sun Village. On behalf of our company and our tour members, we'll donate \$10 for every tour member registered for this program.

BEIJING SUN VILLAGE

Beijing Sun Village was founded in 1995 by Mrs. Zhang Shuqin. It is a home for over 100 children of incarcerated parents aging from one to eighteen.

As a non-governmental charitable organisation, Sun Village has been dedicated to providing foster care and education for the children of convicts for over ten years. Sun Village is committed to bring these minors together in a stable and warm family. This environment enables them to grow-up both happily and healthily, just as other children would. Our charitable services include tailored educational programmes, psychological counselling, rights protection and vocational training.

Beijing

Beijing Sun Village - The village is now a home for over 100 children of incarcerated parents aged from 1 year to 18 years. The sun village was set up 1995 without any government aid. The head of the village, Mrs Zhang Shuqin is the founder of Sun Village.

Chuandixia Village - Chuandixia is known for its architecture and natural beauty. It is home to 500 well preserved courtyard homes dating to the Ming and Qing dynasties. Many of these homes have been converted into inns offering food and lodging to travelers.

Mutianyu Great Wall - Mutianyu is a section of the Great Wall of China located in Huairou County 70km northeast of Beijing. The Mutianyu section of the Great Wall is connected with Jiankou in the west and Lianhuachi in the east.

Tiananmen Square - Tiananmen Square is located in the center of Beijing, and it is the second largest city square in the world. It has great cultural significance as it was the site of several important events in Chinese history.

The Forbidden City - The Forbidden City was built during the Ming dynasty. It is actually a city-within-a-city; with 9999 rooms spread over 250 acres. During the Ming and Qing dynasty, 24 emperors made their home in the Forbidden City

2008 Olympics Games Sites - The National Stadium serve as the main venue of the 2008 Beijing Olympic Games. The design was awarded to a submission from the Swiss architecture firm Herzog & de Meuron in April 2003.

Testimonials

What a fantastic tour! The old saying, "If it's too good to be true, it probably IS too good to be true," is NOT true. The China trip through SNA was so fantastic and incredible and it seems too good to be true, but it was better than we could have ever expected!

Thank you ever so much for the wonderful opportunity your company as provided for our family and our first visit to China. It has been an awesome experience as well as an educational one! What a welcoming country China is, highlights for the visit to the Great Wall, and many sights. We feel very well taken care of by your tour guides. They were always as helpful and willing to make accommodations. I would highly recommend this to my fellow teachers.
